

REMARKS

Claims 4 and 7 have been amended to correct informalities. In particular, claims 4 and 7 have been corrected to remove “during the second time interval” which is believed to be a clerical error. The meaning of “during the second time interval” is not discernible. This language was not likely considered in allowing the claims. For the foregoing reasons, the scope of claims 4 and 7 has not been affected by this amendment.

The undersigned contacted the Examiner on September 26, 2006, and the Examiner agreed that this amendment does not change the scope of the claims. The Examiner indicated that he was unable to make the correction as an Examiner’s amendment due to the proximity of the due date for payment of the issue fee and suggested filing the correction under 37 CFR 1.312.

Entry of this amendment in accordance with 37 CFR 1.312 and MPEP 714.16 is respectfully requested. This amendment merely embodies the correction of formal matters without changing the scope of the claims. No substantial amount of additional work on the part of the Examiner is required.

Please charge any additional fees associated with this application to Deposit Account No. 14-1270.

Respectfully submitted,
